Patterns in Movement

Lifelong Learner Standard:

Seek, recognize and understand systems, patterns, themes, and interactions.

SOL 1.17

Students will recognize, describe, extend, and create growing patterns.

Selected days: November 7, 14, 21 - Thursdays

Time: 12:30 – 1:15

Session 1

- Guiding Question: How can we recognize a growing pattern in movement?
- Christine will demonstrate several growing patterns and ask students what type of patterns they hear or see. Examples include: A, AB, ABC, ABCD, ABCDE or 2, 4, 6, 8, 10, 12
- She will ask for ways that they could describe each pattern.
- Christine will demonstrate some patterns and the students will repeat her pattern.
- Christine will end the session by telling a story through movement.

Session 2

- Guiding Question: How can we create and extend a growing pattern in movement?
- Christine will demonstrate some patterns, and the students will repeat and extend her pattern.
- Students will break up into (predetermined) small groups to work on their own dance pattern that will be shared with the group during the next session.
- Christine will end the session by telling a story through movement.

Session 3

- Guiding Question: How can we create and perform a growing pattern in movement?
- Christine will demonstrate some patterns, and the students will repeat and extend her pattern.
- Students will have 10 minutes to review and practice their own patterns from last session.
- Students will share their patterns with the group.
- Christine will end the session by telling a story through movement.
