Purpose: The career plan review will allow students to meet individually with the counselor to review plans, goals, and select classes for next year.

Objectives: Students will:
  ? know the academic requirements for the different types of diplomas as well as the SOLs needed for that diploma
  ? review the status of their progress towards the diploma they are working toward
  ? decide on appropriate class choices in order to meet their goals
  ? choose a career path and select appropriate electives relating to their career pathway

School Counseling Standards:
HA1 – Understand their academic status toward meeting the graduation requirements
HA3 – Students will demonstrate the knowledge and skills necessary to ensure a successful transition from high school to post-secondary options
HC4 – Students will understand how the changing workplace requires lifelong learning, flexibility, and the acquisition of new employment skills
HC11 – Apply decision-making skills to career planning

Life-Long Learner Standard:
Gather, organize, and analyze data, evaluate processes and products; and draw conclusions
Apply habits of mind and metacognitive strategies to plan, monitor, and evaluate one’s own work.
