

**ALBEMARLE COUNTY PUBLIC SCHOOLS
CHILD NUTRITION PROGRAM
2019-20 LETTER TO HOUSEHOLDS**

Dear Parent or Guardian:

Children need healthy meals to learn. Albemarle County Public Schools offer nutritious and reasonably priced meals each school day. Students in elementary school pay \$2.80 for lunch. Middle and High School students pay \$3.05. In schools where a breakfast program is offered, the cost of school breakfast is \$1.50. Reduced price breakfast costs \$ 0.30 and lunch costs \$0.40. Meals may be prepaid on a weekly, monthly or longer basis. Students who qualify may receive free or reduced price meals. All meals served must meet standards established by the U.S. Department of Agriculture. If a child has been determined by a doctor to be disabled and the disability prevents the child from eating the regular school meal, the school will make substitutions prescribed by the doctor. If a substitution is needed, there will be no extra charge for the meal. If your child needs substitutions because of a disability, please contact us for further information.

This Paragraph describes various scenarios that will qualify students for free or reduced meals. PLEASE note those qualifying eligibilities ARE NOT AUTOMATIC and AN APPLICATION MUST be processed by the Child Nutrition Program for the eligibility to take effect. Children who are members of households receiving Supplemental Nutrition Assistance Program (SNAP) benefits or receive Temporary Assistance for Needy Families (TANF) are eligible for free meals regardless of income. Foster children who are the legal responsibility of a welfare agency or court are eligible for free meals regardless of the income of the household with whom they reside. Students who are eligible for Medicaid may also be eligible for free or reduced price meals based on the household's income. Children who are members of households participating in WIC may also be eligible for free or reduced-priced meals based on the household's income. If your total household income is at or below the Federal Income Eligibility Guidelines, shown on the chart below, your child(ren) may get free meals or reduced price meals. Your child(ren)'s application from last school year is only good for the first few days of this school year.

YOU MUST SEND IN A NEW HOUSEHOLD APPLICATION FOR EACH SCHOOL YEAR

HOW TO APPLY

If your child is automatically qualified, you will receive a letter from the Child Nutrition Office. If you feel your child qualifies and have not received a letter, then please submit an application. The application must contain the names of all students in the household, the SNAP or TANF case number, and the signature of an adult household member.

If you do not receive SNAP or TANF benefits for your child(ren), complete this application and return it to your child's school or mail it to the Child Nutrition Office. You may also complete an application online at <http://albemarlechildnutrition.school lunchapp.com>

If you do not list a SNAP or TANF case number for the child(ren) you are applying for, then the application must have the names of all students, the names of **ALL** household members, and the amount and frequency of income each person received last month. An adult household member **must sign the application** and include the last four digits of the social security number. If the person does not have a social security number, check the box provided indicating none. You or your child (ren) do not have to be U.S. citizens to qualify for free or reduced price meals.

If you are applying for a foster child, who is the legal responsibility of a welfare agency or court, an application may not be required. **Contact the Child Nutrition Office for more information.** If you are applying for a homeless, migrant, or runaway child, an application may not be necessary. Contact (434) 296-3872 for more information.
