Monticello High School (MoHS) is one of three comprehensive public high schools in Albemarle County. Named for Thomas Jefferson’s historical mountainside estate, “Monticello” means “little mountain” in Old Italian. Monticello High School is located two hours south of Washington, D.C. and one hour west of Richmond, VA. Monticello High has an enrollment of approximately 1150 students, servicing grades 9-12. Monticello operates on a modified block schedule. Classes are offered either yearlong, meeting every other day or for one semester, meeting every day.

Curriculum
Monticello High offers a comprehensive curriculum that stresses academics, but includes ample opportunity for students to study the fine arts as well as vocational courses at the local CATEC School. Our programs with University of Virginia and Piedmont Virginia Community College allow students to enroll in college courses for dual credit. In addition, extracurricular opportunities through groups like the Key Club, Robotics Team, and Habitat for Humanity Club, as well as all of the honors societies, give students a chance to get involved in the school and the community.

The Health and Medical Sciences Academy (HMSA) is designed to prepare students for college and/or career pathways in the Health Sciences. Academy students will explore an integrated curriculum through the lens of Health Sciences and Research. During their junior and senior year, students will have additional opportunities to support their academic aspirations in Health Science Careers that may include but are not limited to: Case Studies, Internships, Clinical Rotations, Site Visits/Tours, and College Visits.

Honors, HMSA, AP, and PVCC courses move at a faster pace and go beyond the curriculum of the advanced level courses. Honors, HMSA, AP, and PVCC courses place major responsibility for student progress on the student. Students are expected to engage in self-instruction, independent work, readings, projects, and research. Courses where AP and PVCC are both offered (US/VA History, US/VA Government, English 12, and Psychology), we consider AP to be the highest options offered.
Albemarle County determines GPA by dividing the total grade points received by the total number of credits attempted in earning the points. The points are 4 for an A, 3 for a B, 2 for a C, 1 for a D, and 0 for an F. The highest unweighted GPA is 4.0. Students receiving a “pass” in a course designated as pass/fail are credited with completion of the course, but the grade from such a course is not included in the calculation of the GPA. Students receiving a “fail” in a pass/fail course receive a grade point of zero, which is included in the calculation of the GPA.

2015 Monticello Graduates Were Accepted to the Following Institutions

- Appalachian State University
- Ashland University
- Bluefield College
- Bowling Green State University
- Bridgewater College
- College of William and Mary
- Central Connecticut St University
- Central Michigan University
- Central Washington University
- Christopher Newport
- Clark-Atlanta University
- Clemson University
- Costal Carolina University
- College of Charleston
- Dartmouth University
- Dickinson University
- Duquesne University
- Eastern Mennonite
- Elon University
- Emory & Henry
- Florida State University
- George Mason University
- Georgia State University
- Georgia Tech
- Hampden-Sydney College
- Hampton University
- High Point University
- Howard University
- Indiana University
- James Madison University
- Johns Hopkins University
