Hello, Western Students and Families,

The process for establishing second semester parking is now underway. Current 11th and 12th graders who wish to enter the second semester lottery may begin to do so at this time by accessing the “19-20 WAHS Semester 2 Parking Lottery” link on the Western Albemarle High School homepage. Students must be logged in to their k12albemarle accounts in order to access the form. Only students who are current juniors who did not receive first-semester parking and seniors who did not obtain a year-long parking permit are eligible for the lottery. Students will provide their name, email, grade, and parent contact information. On December 13, 2019 at 4:30pm the lottery entry form will be closed. Students whose names are selected will be notified prior to winter break and can pick up a parking application in the front office. Semester parking is $17. Students who receive permits may begin parking on January 20, 2020. Permits will be affixed to student vehicles by a WAHS staff member. Students will not be able to select parking locations, as they will be randomly assigned. Students also will not be able to trade parking spaces. A majority of semester-long parking spaces are located in the upper parking lot.

Also, in recent weeks there has been an influx of students parking without permits. Western staff will be increasing efforts to verify those who are driving to school have the required permits. If a student is found to be parking without a permit, the following actions will be taken:

1st Offense: Warning
2nd Offense: One day before or after school detention
3rd Offense: Ineligible to enter the second semester lottery
4th Offense: Ineligible to park the first semester of the following school year
5th Offense: Ineligible to park at WAHS the entire following school year

As a reminder, if a student parks in your assigned spot. Please do not park in another student’s space. Write down the license plate number and vehicle description, park your vehicle in the front of the school, and report this information to the front office so the vehicle can be moved.

If you have any questions, please contact Assistant Principal, William Schaffer at Western Albemarle High School.
